Spectrum Swim

Thursdays 5:30p-6:15p

These lessons are designed for children 5-9 years old with an ASD diagnosis. The child to adult ratio is 1:1. The lessons are held at the Ithaca YMCA small pool and are taught by Ithaca Youth Bureau and YMCA staff. The overall goal of this class is to help the kids adapt to a bigger class setting with less need of an aid in the water.

****What do I do if the class I want is full?***

Your contact information can be placed on a **waiting list**. The Aquatics Coordinator makes a concerted effort to open up more spots in classes, given adequate instructors and pool space.

Please see our Membership, Program Descriptions & Policy guide for more information and class descriptions.
