

## **Frequently Asked Questions & Policy Reminders:**

### **Where do I find more information on the swim lesson program or the aquatic facility in general?**

Please see our Membership, Program Descriptions & Policy guide for more information and class descriptions.

### **What class should I sign my child up for?**

If this is your first time with us or you have taken a break from swim lessons, please consult the front desk staff for help with level selections. If the front desk is unclear please consult with the YMCA's Aquatic Coordinator prior to signing up for lessons.

### **When am I allowed to sign up for next session?**

Members may register up to two weeks before session begins.  
Non-members may register up to one week before session begins.

### **When does registration end for each session?**

You may register for a class up to one week after the first class.

### **How long are private lessons?**

Each lesson is scheduled for 30 minutes. You are welcome to sign up for consecutive lessons to increase the duration of a lesson.

### **Can I cancel a private swim lesson?**

You are always welcome to cancel private swim lessons. Credits will only be issued if it is requested more than 24 hours in advance and accompanied by a medical note. Saturday, Sunday, & Monday classes will need to be cancelled no later than 5pm on Friday.

### **What do I do if the class I want is full?**

Your contact information can be placed on a waiting list. The Aquatics Coordinator makes a concerted effort to open up more spots in classes, given adequate instructors and pool space.

### **Can I make up a lesson if I miss it?**

For safety reasons we need to maintain strict ratios, and therefore, we cannot offer any make up lessons for lessons missed.

### **May I leave while my child is participating in swim lessons?**

Even when your child is in swim lessons (or other Y program) our age guidelines for the facility must be followed. Guardians of children 0-9 years old must stay in their children's program area, including aquatics programs, for the duration of the program. Guardians of children 10-12 years old are required to stay in the facility but do not have to be in the immediate area of the program.
