Sr. 2-Adult Family with children	\$240	\$912	\$80/mo.	\$45

Family memberships include those with shared income and expenses in same household. Children are defined as independents living in the household through age 22. Capital Improvement Fees are charged to new memberships when the fee has not been paid previously, either here or at another Y. For senior memberships, only one of the members must be over 60.

Draft Membership:

We must be notified of any credit card or bank account number change immediately by completing a Draft Change Form located at the Welcome Center or by emailing the Membership Coordinator, at info@ithacaymca.com. We require all requests to change or cancel a draft membership to be received in writing no later than the 25th of the previous month. Additional fees may incur if notice is not given by the 25th of the previous month. Also, please advise us of any change of address, email, and/or phone number.

Membership Renewal:

Annual renewal notices will be emailed to the email address we have on file for the billable member at the beginning of the month your membership expires.

Returned Drafts:

Returned drafts will leave you with a balance due for that month and a \$15 fee payable at the Welcome Center or on-line via the self-service portal. Please note that your membership will be terminated until the balance is paid in full.

ACTIVE AND AGELESS

Are you age 85 and up?

We want you at the Y. We are offering any person 85+ a **FREE** membership. No strings, no gimmicks, just a free membership to help ensure you stay active and healthy for years to come.

Stop by the Welcome Center to sign up TODAY!

Membership Key Tags:

For safety purposes, YMCA members are required to scan their membership key tag each time you visit. If a member does not have their membership key tag with them, **another form of picture identification** must be shown to gain access to the facility. Membership key tags and privileges are not transferable to other individuals. If you have lost or misplaced your key tag, please stop at the Welcome Center to ask for a new one.

The Capital Improvement Fee: The fee will be appropriated towards capital improvements which means members are contributing towards upkeep of the facility and expenditures of major capital projects. The fee will be \$30 for individual memberships (not youth or junior), \$45 for family memberships, and scholarship recipients will have the same percentage applied as approved for membership. The Capital Improvement Fee will be added with the initial payment of membership.

CALLING ALL FIRST GRADERS!

We want every 1st grader in Tompkins & surrounding counties to be a member at the Ithaca Y. What is the best way to accomplish that, you ask? Give them a **FREE** membership! That's right, any first grader who comes to the YMCA of Ithaca, will receive a **FREE Youth Membership**, which won't expire until August 31. WOW - that's a \$192 value!
