Capital Improvement Fees are charged to new memberships when the fee has not been paid previously, either here or at another Y. For senior memberships, only one of the members must be over 60.

## Draft Membership:

We must be notified of any credit card or bank account number change immediately by completing a Draft Change Form located at the Welcome Center or by emailing the, Membership Coordinator, at info@ithacaymca.com. We require all requests to change or cancel a draft membership to be received in writing no later than the 25th of the previous month. Additional fees may incur if notice is not given by the 25th of the previous month. Also, please advise us of any change of address, email, and/or phone number.

## Membership Renewal:

Annual renewal notices will be emailed to the email address we have on file for the billable member at the beginning of the month your membership expires.

## Returned Drafts:

Returned drafts will leave you with a balance due for that month and a \$15 fee payable at the Welcome Center or on-line via the self-service portal. Please note that your membership will be terminated until the balance is paid in full.

## CALLING ALL FIRST GRADERS!

We want every 1st grader in Tompkins & surrounding counties to be a member at the Ithaca Y. What is the best way to accomplish that, you ask? Give them a **FREE** membership! That's right, any first grader who comes to the YMCA of Ithaca, will receive a **FREE Youth Membership**, which won't expire until August 31. WOW - that's a \$168 value!

## Membership Key Tags:

For safety purposes, YMCA members are required to scan their membership key tag each time you visit. If a member does not have their membership key tag with them, another form of picture identification must be shown to gain access to the facility. Membership key tags and privileges are not transferable to other individuals. If you have lost or misplaced your key tag, please stop at the Welcome Center to ask for a new one.

**The Capital Improvement Fee:** The fee will be appropriated towards capital improvements which means members are contributing towards upkeep of the facility and expenditures of major capital projects. The fee will be \$30 for individual memberships (not youth or junior), \$45 for family memberships, and scholarship recipients will have the same percentage applied as approved for membership. The Capital Improvement Fee will be added with the initial payment of membership.

# Membership & Guest Options

**Member Guest:** Adult members are encouraged to bring guests to the YMCA. A non-member can be a guest of an adult member twice for free. A member can bring up to two guests at one time and the member must accompany them in the facility.

**Activity Fee:** For those visiting the area, the YMCA offers the option of an "activity fee" which allows the person to participate in an activity or use the facility at **\$10 for adults 18 and up, \$6 for ages 13-17, and \$4 for youth ages 12 and under. Guests ages 13-17 must have ID or checked in by an adult 18+ to enter the facility.** This fee covers use of the facility for any length of time; once you leave the facility you must pay it again to re-enter (even if within the same day).

**A.W.A.Y Guest:** Members who belong to Y's outside of the NYS Reciprocal Program can visit our facility twice at no charge. Any visits after that would be half of our activity fee.

**Senior Dollar Day:** Every Thursday, Active Older Adults (60+) can enjoy our facility and group fitness classes for only \$1.

## Open Doors Scholarship Program:

At the Y, we believe we have something special—a sense of community. We also believe that everyone should have access to our community, along with the programs and services that help us learn, grow and thrive.

The Y provides programs and services to the entire community—regardless of an inability to pay. Financial Assistance is awarded based on need and availability of funds. See page 6 and 7 for more information.

## Corporate Discount Memberships:

The YMCA has partnered with many local companies and groups to offer group membership plans that may qualify you to receive a reduced membership rate. We currently serve over 30 local organizations and companies who participate in our Corporate discount program. To determine if you work for one of these companies, please visit the Welcome Center or the membership page on our website [ithacaymca.com](http://ithacaymca.com).

If you are interested in adding the company you work for to the list, please contact Logan Oltz, the Membership Coordinator at [info@ithacaymca.com](mailto:info@ithacaymca.com).
